

## A DOUBLE DECKER BUS FOR ALL OCCASIONS...

### As a BYO Venue...

Our “Park’n’Party” package includes up to 5 hours stationary hire of the bus at your specified location, 2 cocktail tables, 36 plastic glasses, a large esky or champagne tub full of ice. Max guests on top deck 36.

### As a Catering Van or Mobile Store...

The “Park’n’Profit” package includes the stationary hire of the bus for commercial purposes. For example, to sell food or drinks through the 2 side service windows or al-fresco style on the top deck. Ideal for markets, festivals and outdoor concerts. Includes rooftop canopy, 4 café tables and 14 chairs. Commercial food &/or liquor licence required.

### As a stage &/or band green room...

Our “Park’n’Perform” package includes the stationary hire of the bus at a specified location. The top deck can be transformed into a stage, and the lower deck can be blocked out for use as an artist’s green room & dressing room. Includes a large esky with ice, chrome dress rack, heater or small fan. Professional AV production items are available for an additional fee.

### As an Officials tent / “Head office”...

The “Park’n’Police” package includes the stationary hire of the bus for official use at festivals or outdoor functions. It could be used as a highly visible landmark for First Aid, Police, Info, Security or Lost’n’Found. Two side service windows can be used to supply information. Available for not-for-profit organisations.

### As a romantic dinner for 2...

Our “Park’n’Propose” package includes a 2.5 hour hire of the bus including the free transport of 2 people to enjoy a romantic dinner for two at a scenic location. The top deck is decorated with a rooftop canopy, fairy lights, candlelit table for 2 and includes the supply of a chef, 2 course dinner and complimentary bottle of chilled champagne. Alternatively, you can BYO and we can supply a platter of nibbles for a reduced price.

### As an advertising opportunity...

Our “Park’n’Promote” package includes the stationary hire of the bus for promotional purposes. We drive the bus to an agreed location, set up your banner / signage & return at the end of the hire period to pack it up. An ideal way to encourage attendance to events from passing traffic or to boost existing media efforts.

Or our “Drive’n’Promote” package includes the active hire of the bus to drive around an agreed area for promotional purposes. Eg Radio station B105 broadcast from the bus for 3 weeks in December 2009 to help raise nearly \$1.4million dollars for the B105 Brisbane Womens and Childrens Hospital Xmas appeal. This vehicle turns heads wherever it goes and is no comparison to trailer-pulled billboards.

## General Info:

**Hire Costs:** Please see table below for bus hire prices. Valid until 30 June 2010.

BUS PACKAGE	HIRE PRICE inc gst	HIRE PERIOD
Park'n'Party	\$750	Up to 5 hours stationary use

## Frequently asked questions:

### Can we just party on the bus whilst it is driving around?

You need to have booked the bus as a venue with a nominated destination. We are then able to give up to 19 non-paying passengers a ride to this location, so long as the one pick up point is en-route. Passengers must remain seated at all times on the lower deck whilst the engine is on. So it's much more fun to plan your celebrating for when the bus is stationary and complete with your extra party items.

### Can we sleep on the bus?

Yes of course. Simply let us know your intentions (eg to hire the bus for Woodford Folk Festival and use it as "home base" for a week) and we can give you a quote to suit. With the canopy on and clear walls attached, the bus is waterproof and it can be locked for security.

### How far will you travel?

Our insurance has a 250km proximity limit from Maroochydore, although we can apply for a temporary extension to this for an extra fee if your event falls outside this zone. We need to research the route and site to ensure there is sufficient height and suitable road surfaces for this heavy vehicle.

### Can we supply our own driver?

No. We will supply an experienced, insured, suitably licenced driver to drive the bus to your nominated location and the ignition is immobilized for the duration of your event.

### Can you supply alcohol or is it BYO?

All packages are BYO should you wish to drink whilst on board. It is your responsibility to comply with any Liquor Licensing Laws and the Traffic Act where applicable. We are happy to supply eskies, champagne tubs, plastic glassware, even a frozen cocktail machine if required.

### Can you supply signage for the bus to promote our event or Company?

Whether it be a full wrap (as B105) or simply a banner tied onto the side of the bus, we can either recommend a signwriter or utilize your existing signage to ensure the bus really makes an impact.
